## ACKNOWLEDGEMENT

Completing a task is never a one-man effort. It is the results of valuable contribution of a number of individuals in a direct or indirect manner that helps you shape and achieve an objective. This project would not have taken shape, without the guidance provided by **Ms. Aarti Chauhan**, our Mentor, who helped us in our project and resolved all the technical problems and helped in understanding technical aspects of the project. We profusely thank her for the support provided to us.

I'm also grateful to our batch owners and people who've helped us out in every way possible, **Shilpa Mahajani Ma'am, Mohit Kariya Sir, Gerard Thomas Sir and Komal Sanjay Pawar Ma'am**. Without them, internship at such a huge company would have not been completed successfully. They ensured our smooth functioning and handled all the quirks and doubts while the sessions which helped us a lot in order to calmly finish the project.

I'd like to express my sincere thanks to a few of the faculties from my college for giving us such an amazing opportunity to work through the college semester in order to get a corporate experience and education and enhance my personal as well as professional skills.

**Chancellor**  
**Placement Mentor**

Mr. Ashok Mittal  
Ms. Geetika Sharma

I feel proud and privileged in expressing my deep sense of gratitude to all those who have helped me in presenting this project. I would be falling in my endeavor if I do not place my acknowledgement.

## ABSTRACT

**Cognizant** is an American multinational corporation that provides IT services, including digital, technology, consulting, and operations services. It is headquartered in Teaneck, New Jersey, United States of America. Cognizant is included in the NASDAQ-100 and the S&P 500 indices. It is also one of the fastest growing Fortune 500 companies. It was founded as an in-house technology unit of DUN & BRADSTREET in 1994, and started serving external clients in 1996.

Cognizant had a period of fast growth during the 2000s, becoming a Fortune 500 company in 2011. In 2015, the FORTUNE Magazine named it as the world's fourth most admired IT Services company. In 2017, Cognizant was named in Fortune's Future 50 list.

Cognizant provides information technology, information security, consulting, ITO and BPO services. These include business & technology consulting, system integration, application development & maintenance, IT infrastructure services, analytics, business intelligence data, warehousing, customer relationship management, supply chain management, engineering & manufacturing solutions, enterprise resource planning, research and development, outsourcing, and testing solutions.

Cognizant has three key practice areas that span its business — Digital Business, Digital Operations, and Digital Systems & Technology.
